

UNDERSTANDING RMC CAMP FEES:

Where do the numbers come from?

Camper Cost Breakdown and Conference Subsidy and Support

The astute observer will notice that the above total comes to **\$535** per camper. Yet, the **2015 CAMPER COST** is **\$485**. How can this be?
The remaining \$50 per camper is subsidized by the Rocky Mountain Conference. These are your OCWM dollars at work. Thank you for your support!
