

HELLO ROCKY MOUNTAIN CONFERENCE!!

Yearbook Data Collection has begun...

and this year it's a competition for a

Pizza Party at the Annual Meeting!*

*ALL DATA COLLECTION WILL BE DONE ONLINE -
THERE ARE NO PAPER FORMS THIS YEAR.*

Tips for Easy Yearbook Data Entry Success:

1. Before beginning your entry, please be sure to read the Church Instructions and the 2016 Yearbook Reporting New Category (documents attached) and watch the tutorials on the site http://www.ucc.org/research_yearbook.
2. Print out pages 5 & 6 of the Church Instructions document to collect your data before you login. We have attached the Definition Tip Sheet to help make your work easier.
3. After reading the instructions, watching the tutorials, and preparing your data sheets, login to the UCC Data Hub:

To login to the UCC Data Hub, please go to: <http://datahub.ucc.org/>

Your username is your church ID (see the list that follows).

Your default password is *password*. If you have entered your data in past years, use the password you used in that previous entry.

4. Please send Lisa (lisa@rmcucc.org) in our office an email when you have completed your data entry, and if you still have questions please feel free to contact Lisa at 303.984.9118.

Please enter your data no later than **Thursday, February 25, 2016**, and don't hesitate to call if you need assistance.

**The Small Print: CARD – the National entity run by our own Kristina Lizardy-Hajbi, is offering prizes for the best reporting conferences, with a pizza party for the conference with the most improved reporting percentage over a three-year average. It's not a shoe-in for us, but if we all report, we may just have a special treat at annual meeting: be sure to mark your calendars for Thursday, June 9 – Sunday, June 12, 2016 in Salt Lake City!*
