

Welcoming Diversity: An Inventory for Congregations

As our communities become more diverse, every congregation is faced with the challenge of how to reach out to people of different racial/ethnic backgrounds. We believe an important step in meeting that challenge is to ask whether our congregation is truly welcoming to all people. While our initial answer may be “Yes, of course,” focused introspection might reveal hidden barriers that may hinder people of other racial/ethnic backgrounds from feeling at home in our congregation.

A sub-committee of the Religion Sector of the GRACE Summit on Racism created this Inventory in 2007 to aid congregations seeking to embrace and welcome the diversity of its community. The Inventory focuses on six areas: Perceptions, Leadership, Worship, Visual, Educational, and Events. The sub-committee recommends that this Inventory be used by a committee or a team of interested persons.

To stimulate your discussion, using a 1-3 scale, read each statement and place your most appropriate response to the left in the space provided.

Thank you for your efforts with this Inventory. Racism is a serious and often subtle problem in our country and in our congregations and must be addressed. This Inventory is intended to help a congregation engage in conversation about its own reality of racism. Then, from that discussion, the congregation can design ongoing healing actions that will serve as a guide for planning and annual evaluation.
