Where can I get the documents I need for Annual Celebration?

Everything you need will be available in your Program Guide, which will be emailed to all registrants. Please read through this!

How will the business meeting work?

We'll the entire meeting to order on Thursday night, adjourn on Saturday afternoon, and frame the entire gathering as worship. Business is interspersed throughout the agenda as [Administration](#).

What do the other colors mean?

Worship events are in purple.

Generative conversations are in green.

No one throws a party like RMC, and those events are in orange!
