

# The Church's Call to Environmental Healing and Justice: a Conference-Wide Conversation

WEDNESDAY, SEPTEMBER 22, 2021  
6:30-7:30 PM VIA ZOOM

**A CALL TO ALL RMC CHURCHES INVOLVED - OR WANTING TO BE INVOLVED - IN WORK FOR HEALING AND JUSTICE FOR GOD'S CREATION!**

Clergy and Lay Leaders are invited to be part of this conversation. Here's what we plan to do in our time together:

- Learn from each other. What are we each doing? What would you like to do that you haven't done yet?
- Collaborate with each other as we feel the need. How can we join forces in our work?
- Encouragement and support.

The discussion will be moderated by Revs. Allyson and Peter Sawtell, retired UCC clergy and long-time environmental activists.

**OPEN TO ALL  
RMC CHURCHES!**
