

2023 RMC Business Meeting

Consent Agenda

An Educational Moment

Roberts' Rules of Order provides for the use of a Consent Agenda for the approval of routine items (which do not need discussion or debate) with one vote, thereby eliminating the need for individual motions and votes for each item.

At the beginning of the meeting where a consent agenda is used, the moderator will ask if there are items which the body wants removed from the consent agenda so they can be discussed individually. If any member requests that an item be removed from the consent agenda, it will be placed on the general agenda to be discussed individually.

When there are no more items to be removed, the moderator reads out the remaining consent items. Then the moderator states: "If there is no objection, these items will be adopted." After pausing for any objections, the moderator states "As there are no objections, these items are adopted." It is not necessary to ask for a show of hands.

The Rocky Mountain Conference Board of Directors proposes the following Consent Agenda for its 2023 Annual Business Meeting:
