AFTER

Partnership with the Backyard Market Farm Store

We are excited to be partnering with the Farm Store that will be located in our historic log church. The first thing we realized, is it needed to be handicap accessible. Our funds were down due to the covid years, so we applied to RMC for an “In the Mud” grant to help pay for a much-needed update to that building and our campus!

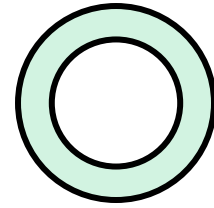

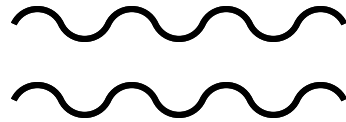

At present, the owner of the store is waiting for awarded grant money to purchase needed refrigeration to open the store. She is hopeful it will be in April!

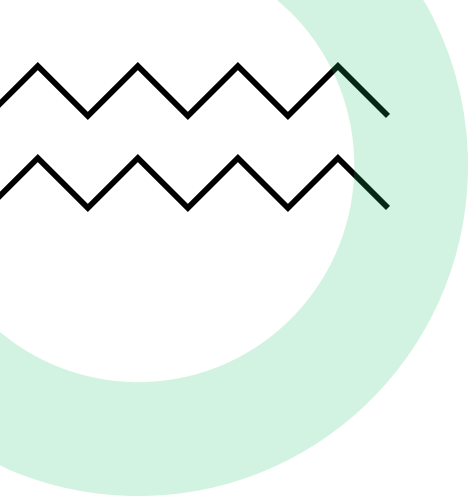

**THE RAMP ALSO
HAS SIDE STAIRS
TO GET DOWN TO
THE LOWER LEVEL**

KAT BROWN SNYDER, A MEMBER OF OUR CONGREGATION, CREATED THIS BEAUTIFUL COUNTER FOR THE STORE! EVERYONE IS EXCITED ABOUT THIS PARTNERSHIP TO DO MORE OUTREACH WITH OUR BELOVED BLACK FOREST COMMUNITY!

**Thank you Rocky
Mountain
Conference for
helping us get our
hands “in the mud”
with the people in
our community to
directly help them as
needed.**
