Welcome Home... to Robinson Place

Located on Wadsworth Boulevard, in Lakewood, Colorado, Robinson Place is a brand new, affordable housing property from Archway Communities for seniors aged 62+. A fully non-smoking campus, Robinson Place will feature community spaces, one parking space per unit, and a full array of on-site Supportive Services. There will be a total of 67 one bedroom and two-bedroom units with some ADA compatible units. The units will be reserved for individuals with an income range of \$26,000-\$41,000 annually.

Construction of Robinson Place began in December 2021, and was named for Robinson (Robb) Lapp. Robb, one of Archway's co-founders and board chair, was a leading force in inspiring change

throughout the Denver community. During his time as a minister, Robb, led by compassion and determination, formed two new congregations of the United Church of Christ in the Denver Metro Area.

In addition to an array of in-unit and shared amenities, Robinson Place will have an on-site service coordinator who will oversee programming and case management. The Supportive Services Coordinator will work with residents to identify building needs and connect residents to appropriate programming, resources, and activities. This will take the form of on-site programming, such as life skills groups, therapeutic support groups, advocacy opportunities, community integration, no-cost food programs, and wellness activities.

As we get ready to welcome residents into their new home, we also need your help! We want each person to feel right at home on day one, and we need the support of our community to make that happen. The Archway team is working to assemble 67 move-in kits to ensure that each apartment comes with the essentials needed to make it feel like home. This includes linens, cleaning supplies, kitchen utensils and so much more. We have also added furniture items for the 15 formerly homeless older adult Veterans that will be moving into this community.

Please consider making a gift from our Amazon Wish List today. In addition, monetary donations can be made through our website [HERE](#). At Archway, we are committed to ensuring all our residents have access to everything they need to thrive.
