Conference Committee on Ministry

A note about the COM: as per the bylaws, the COM is tasked with structuring itself in such a way that it can effectively carry out its responsibility of authorization and oversight. Through continued and evaluation the COM has restructured from 3 committees to 2 and identified more specific roles and responsibilities for each member of the two teams. In addition, as per the bylaws, there is a COM coordinator that is a member of the Board. With the restructure members of previous committees were given the choice to continue their term in a new role, or step off the COM. For questions regarding restructure, or specific job responsibilities please send an email to leslie@rmcucc.org
