

2024-2025 Annual Report of the Conference Inclusion Team

Our work to start the 2025 - 2026 year begins with preparing and enacting the panel presentation that will be made at the mid-June Annual Conference Celebration.

With this presentation and panel we hope to inspire numerous UCC churches in the Rocky Mountain Conference to seriously consider becoming [A2A](#) (which means [Accessible to All](#)).

Churches interested in this transformation (which, for many churches, is not terribly difficult or costly), can contact the RMC [Conference Inclusion Team](#).
