# LODGING OPTIONS

## **Carpenter Ranch and Preserve**

We have some availability to stay in the historic ranch house. This is free of charge but limited. Email [haydencongpastor@gmail.com](mailto:haydencongpastor@gmail.com) for details.

## **AirBnB**

Hayden has limited short-term rentals. The Salt Shed Flats at the Granary are lovely if available. Walking distance to the church.

## **Camping**

We have two state parks nearby, Yampa River and Elkhead Reservoir, and both have abundant camping spots in October. You must make reservations online.

## **Hotels**

Craig has the most reasonable hotels, including the Hampton Inn and Candlewood Suites. Make your reservations soon, as they can fill up during hunting season.

Steamboat also has many hotel options. Ordinarily they are more expensive, but you may find deals due to the off season.
